1.  The amendment filed on 16 August 2010 under 37 CFR 1.312 has been considered, and has been:

- a)  entered.
- b)  entered as directed to matters of form not affecting the scope of the invention.
- c)  disapproved because the amendment was filed after the payment of the issue fee.  
Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.
- d)  disapproved. See explanation below.
- e)  entered in part. See explanation below.

The amendment to claim 23 is incorrect, as the word "jet" was omitted. The phrase --at least one jet-- should have been inserted in claim 23. Furthermore, claim 36 is listed as "currently amended" but there are no amendments to claim 36. Finally, not all the claims have been correctly amended as called for in the Examiner's Amendment. For example, claim 41 contains the word "ejector", and claims 22, 29, and 30 do not contain the word "jet" before the word "ejector".
